## STATUE OF MILAM IS ASSURED

A member of Congress who keeps his constituents informed and who tells them how he votes on every question, is novel. Our own congressman, Bob Poage, does that very thing. The Herald has been reproducing his weekly message to the people of the 11th District. Congressman Poage not only tells how he votes but why. Here's an example of what he says each week to the people back home:

Waco, Texas, March 22, 1937.

Again I have an opportunity to write to my friends from Waco. I came with Post Master General Farley and his party to take part in the dedication of the new Post Office Building at Waco, and to attend the State-wide rally held here, today (Tuesday); also the banquet to be held at Temple tonight.

The longer one is away from Texas, the greater his pleasure at returning, and had it not been for the appalling tragedy that occurred in East Texas, I am sure we could not hope to have enjoyed any more pleasant opportunity to show Texas to our distinguished guests.

Mr. Farley is recognized in Washington as the man, who more than any other one man in the United States, brought about the election and re-election of our Great President and the recent success of the Democratic Party. He is the active head of the greatest political party in the world—the Democratic Party—and of the greatest business organization—the United States Post Office Department—and he has done a good job of both. Naturally he has very little time for visits over the country, so I feel that our people were peculiarly honored when he agreed to make a thirty-five hundred mile trip to especially visit our District and appear at Waco and Temple.

I did not leave Washington till Congress had completed its work for the week, most important of which was the passage of the McReynolds Neutrality Bill. The general purposes of this bill are the same as those of the bill the Senate passed a few days previous, but it vests more discretion in the President.

The bill was opposed by a number of different groups, each with a different purpose. Some felt that the bill would hurt certain factions in Spain—some felt that it would destroy American trade—and the most active opposition was that voiced by Hon. Hamilton Fish of New York, the ranking Republican member of the Foreign Affairs Committee. I gathered that he was simply against anything that the Democratic Party favored. Mr. Fish is an able man, but he did not have much influence in this case. Some of the gentlemen who were so alarmed about Spain are sincere and honest "liberals," and I am sure that the bill will not help their cause in Spain, but I feel that our first duty is to keep Americans out of war and I know of no more likely method of getting into war at this time than to take sides in the family fuss in Spain.

As for those who objected to the bill because it would hurt American trade, I am sure every one will agree that this bill would restrict American trade, and, in case of foreign war, would cause some losses to the American shipping business. But inasmuch as the United States Government holds a lien on practically every American merchant ship for purchase money, I cannot conceive of the Government saying: "Send our security into the war zone and if it is destroyed, nothing will come of it." On the contrary, if we are to keep out of any wars, we must make some sacrifice and forego some prospective profits, but how insignificant those sacrifices are when compared with the hasty sacrifices of useless war. For my part, I am ready to make whatever financial sacrifices as necessary to keep us out of war and I voted for the bill.

### Scenes and Persons in the Current News

1—Sit-down strikers in a New York 5 and 10 cent store are served dinner in the store's cafeteria. 2—Senators Royal S. Copeland of New York, David I. Walsh of Massachusetts and Edward R. Burke of Nebraska, who are active in opposition to President Roosevelt's plan to reorganize the Supreme court. 3—Dowager Queen Marie of Roumania, whose recent serious illness caused grave concern.

## City Wide Clean Up For Cameron Soon

A city wide clean up campaign has been authorized by proclamation of Mayor Chas. C. Smith in annual observance of the better civic program.

Mayor Smith fixed the dates of April 5 to April 10th to concur in the state wide program undertaken by the State Health Officer and the State Fire Marshal.

The city will place at the disposal of the people here trucks from the street department to haul away trash and waste from the city. During these six days the people are requested to co-operate by cleaning up their homes sites and placing all rubbish in containers where it can be picked up by City trucks.

The Mayor's proclamation sets out that the clean up move is not only a sanitary measure but will remove fire hazards and make the city safe in many ways.

Civic organizations in the city as well as churches are asked to co-operate in this six day attempt to improve the sanitary conditions of the city.

## Cameron Boy Makes Good With Santa Fe

M. L. Lyles, whose election to the position of Assistant to the President of the Santa Fe Railway System, with offices in Chicago, was made effective May, 1935, was born forty-three years ago, and received his education in the grade and high schools of Cameron and Waco, and at Toby's Business College in Waco, graduating in 1910. His first service for the Santa Fe began in April, 1911, in the Superintendent's office at Temple, Texas, where he spent one year as stenographer to the chief clerk; six months as stenographer to the superintendent and one and one half years as transportation and personal record clerk, handling car distribution, miscellaneous station and operating correspondence, personal records, personal injury reports, and freight loss and damage claim investigations.

From April, 1914, to January, 1915, he served in the general manager's office at Galveston as freight loss and damage investigator. He transferred to the freight traffic department at Chicago in January, 1915, as stenographer and clerk to F. C. Maegly, assistant general freight agent.

From January, 1918, to April, 1918,

M. L. LYLES

he was secretary to the assistant general solicitor; April, 1918, the December, 1930, secretary to the general counsel; December, 1930, to May, 1933, secretary to the chairman of the executive committee and general

## SAM McDERMOTT FOR ALDERMAN IN CITY

Sam McDermott, Alderman in the city government, is a candidate for re-election to succeed himself, he announced for publication here Monday.

Three Aldermen are to be elected at the general poll on Tuesday, April 6th. Mr. McDermott is one of the men now serving the people in this capacity.

In announcing his candidacy Mr. McDermott expressed his appreciation for many friends who have declared their support and are responsible for his seeking another term in the office.

Mr. McDermott is one among the better equipped business men who are responsible for the present good financial condition of the city. He favors a reduction in the tax rate in Cameron and expressed the belief that with the present policy of curbing expenditures, tax payers may expect a reduction. He wants to reduce the rate and will work to that end.

As a member of the council Mr. McDermott has often been firm in his policy toward varied problems that confront the members. Friends point out that he can say "no" as well as "yes" and until public officials attain this degree of frankness in dealing with the people's business, they fall short of what may be expected of the trusted official.

Mr. McDermott, while a conservative in matters of finance, has co-operated and has supported every meritorious proposal for the benefit of the city, especially measures to improve the public school system, provide better fire records for the city and the enforcement of all the laws coming under jurisdiction of the council.

Mr. McDermott will appreciate the vote of the people and pledges in advance that he will maintain his record of faithful and conscientious service, always bearing in mind that the highest contribution to his community is to safeguard the interests of the whole people.

## MRS. MAGGIE COLLIER BURIED WALKERS CREEK

Mrs. Maggie Collier, 29, of Belmena, died Friday night, March 26 at her home from pneumonia and was buried at 3 p. m. Saturday at Walkers Creek cemetery.

Minister Henry Bailey of Maysfield spoke words of comfort to the bereaved relatives. Mrs. Collier was a member of the Belmena Church of Christ.

Surviving are her husband, George Collier, and five children: Cornelia, Hillman, Verdie, Bonnie Lee and Alton; two brothers, Bill Manix of Houston and Tommy Lee Manix of Crockett; and a half brother Mr. Wagner of Crockett. All were present when she died.

## Cameron Farm Loan Body In Program

The Cameron National Farm Loan Association plans to take an active part in the state-wide observance of the twentieth anniversary of the founding of the Federal Land Bank of Houston, according to P. S. Graves, Secretary-Treasurer of the association.

The observance is scheduled to begin at 10:30 o'clock on the morning of Saturday, April 3, 1937, which will be twenty years to a day since the charter of the Federal Land Bank of Houston was signed.

A program of unusual interest is being prepared for the occasion, Mr. Graves declared. One of the highlights, he said, will be a radio broadcast featuring dramatic incidents in the history of the bank and the National Farm Loan Associations in Texas. This broadcast, which will be heard from station WCAP at Fort Worth as well as other stations of the Texas Quality Net work, will go on the air from 10:30 to 11 a. m. on that date. The Cameron National Farm Loan Association urges its members and friends to hear this broadcast in which all are interested. Other entertainments were planned but meetings will not be held at this time because of urgency of farmers to be in their fields at this season.

According to Mr. Graves, this occasion will be one of the biggest celebrations in the history of the National Farm Loan Associations.

## CRASH VICTIM DIES IN CAMERON THURSDAY

Mrs. J. G. Holder, 53, died in a local hospital late Thursday from injuries suffered in an auto accident near Cause two days prior.

The accident occurred when the steering gear on the Holder machine went out of control as she was passing a truck driven by Marshal Weems of Cameron.

J. G. Holder, 60, husband of the dead woman, was injured also, but able to leave the hospital here on Thursday.

Mr. and Mrs. Holder were on their way from Henderson in the east Texas oil fields to San Antonio to visit their daughter Miss Belva Holder. Another daughter, Mrs. H. H. Pope resides in Henderson.

The body was taken to Lometa for burial.

## Legion Men Will Meet On April 6.

Edwin Hardy Post No. 9 American Legion will meet Tuesday night, April 6 at 7:30 at the hut in Wilson-Ledbetter Park.

Adjutant Streetman said this is the regular business meeting and all members are requested to be present, as there are several matters of importance to come up including the Legion Show and party to be held on April 21st when the public is invited to attend.

### COMING TO CAMERON

W. O. Ellis of Belton, key expert and locksmith, will be in Cameron next week. Mr. Ellis is well known here and has done considerable work in Cameron. Those in need of such work may get in touch with Mr. Ellis at the Hatocha Hardware store.

## SCULPTOR - ARCHITECT IN CITY WEDNESDAY

Statue of Ben Milam, patriot killed in the Texas revolution and for whom the county is named, will be erected on the court house lawn in Cameron, it became definitely known today when sculptor and architect visited the city and arranged for final details of the construction.

Roy Law, chairman of the Milam County Centennial Advisory Board, was here in company with Giles L. Avriett, representing the Board of Control, and agreements were to be signed by the Commissioners Court.

Donald Nelson, Chicago Architect and Bryant Baker, New York sculptor who will fashion the statue of Milam, came to inspect the site where the monument will be placed.

Location was made by the committee of which the late T. S. Henderson, was chairman. The statue is to be placed on the Southwest corner of the block and Milam whose sacrifice made him one of the immortal of the Texas revolution, will face San Antonio where he lost his life leading a band of Texans.

Although contract has not been concluded with the Board of Control by the sculptor, it was believed this would follow at once. Models of the statue proposed are in Cameron.

## Buckholts Future Farm Class Will Stage Big Show

Buckholts Future Farmers will stage a poultry show on April 2 and 3. A list of 22 prizes has been announced.

Prof. W. C. Homeyer of Fort Worth will deliver a picture at 7:45 Friday. Merchants and business men are co-operating in the program.

## Two Go To State Prison Wednesday

Annie Mitchell, negro woman, and L. J. Thompson, negro man, were removed from the county jail here Wednesday to the state penitentiary at Huntsville by Sheriff Max Kennedy and Deputy Clarence McCall. Both were convicted here of burglary.

The officers brought Clint Ross and Charles Dickerson, conceits at Huntsville, back to stand trial here on April 9th.

## HEALTH OFFICER IN CLEAN UP EDICT

Dr. A. S. Epperson, city health officer, has issued the following proclamation for clean up week, in co-operation with the state and the city:

"The Honorable James V. Allred, Governor of Texas, has proclaimed next week clean up week, so let us begin Monday morning to clean up our premises. Flies and mosquitoes are both menacing and annoying and we all know how rapidly they multiply in warm weather, so their breeding places must be destroyed before hand. If you have water standing on, or near your premises, drain it off if possible; if not, oil it. If it is a large body call the attention of the City to it and oil will be furnished and applied by the City. All tin

## Banker Finances Okla. Farmers

Cyril, Okla., March 28.—T. D. Call is a banker by profession and a lender of money without interest to needy farm boys by inclination—his generosity.

Three years ago Call, executive vice president of the bank of Cyril, decided to branch out from loans with cash interest to loans with the only interest the welfare of farm boys of this small community.

He estimated today he had lent \$3,700 in the past three years and about \$2,000 of that has been repaid. It will all be repaid, Call predicted, adding "I've never lost a cent from any of these loans."

The only security demanded, Call said, "is a willingness to work." No father need go on the youth's notes, no interest is charged.

Farm club boys are helped in beginning their own livestock or other farm projects through the loans. Each year, Banker Call has a party, and the boys make that an occasion to repay their loans. The party is on the banker.

What prompted Call in his unusual hobby?

"I believe that as the community grows, so the bank grows," Call said. "Helping farm boys is the best way I know to help a community grow."

## SAN GABRIEL GETS NEW SCHOOL BUILDING

San Gabriel's new school building is now a fact! When Mr. Wayman and other members of W. P. A. Board in district 9 came to our village and reviewed our school plans, they were inclined to laugh at us—"You villagers have too ambitious a program."—But, they failed to consider the type of San Gabriel citizenship and the extent and value of the school district. "The San Gabriel University" was a by-word used frequently in the W. P. A. offices, but now, those same folk have begun to look at the building in its real value. This is the only project which people can see, and W. P. A. officials point it out with pride, for so many of the projects are roads ditches and sewerage.

To-date, over 5,000,000 pounds of stone and over 7,000,000 pounds of sand and gravel have been used in the construction of this rock building. More than 1,000,000 pounds of cement, nearly 100,000 pounds of steel (window weights alone weigh over 7,000 pounds; so no one could dispute the steel estimate) approximately 150,000 feet of lumber, all go into the making of the unique, useful, beautiful, and complete school building which will weigh over 15,000,000 pounds after it is completed. This immensity is hard to realize, but records are on file to verify each figure.

One of the most interesting facts about the building's construction is that it has been built completely by unskilled labor; that is until they acquire skill from working on the building. Rehabilitation of Men! Yes, for all the knowledge known by the men on the job, when they began working, was spade and shovel work and farm work. Today, any one can point with pride to the work of the San Gabriel—W. P. A. workmen.

Stones for the San Gabriel School building are being secured from the same source as were stones for the San Xavier Mission. This conclusion is reached, for the San Gabriel School Board went to the University Librarian and asked her to look up the possible source of the rock for the San Xavier Mission. She reported that the rock undoubtedly came from the Balcones Fault line which runs through the heart of Milam county, for it was on this line that the Mission was located. What more romantic background could be dreamed—utilization of the stones secured from the same source as was the stone used by the Spaniards and Indians exactly 190 years ago! The shaping, placing and building of such a structure with unskilled labor!

Whereas, surrounding communities seem to be alarmed at the tax situation, facts do not bear this out. The facts are:—While all neighboring schools on every side have reached the tax limit of \$1, San Gabriel tax rate at this writing is only 75c. At first people said, "You will have a wonderful building IF you get it completed!" Now, they say, "When you get it completed."

This rural section will have all

## EDITORIAL

## Today's Children

That the old knights had their patron saints and the old gentlemen had their favorite cures for ailments is today a topic for ridicule. But we have even more absurd customs, for we believe that one of the days of the month has children!

Every year when the calendar proclaims the day to be April the first these people stand apart from their fellows, for they are April's children. To make matters worse, out of Mother April's thirty sons and daughters only one of them is a fool, and this foolish day is the one that sires so many foolish ideas!

On April Fool's Day it is customary to play jokes on our friends, and much fun is had from these jokes, but they can be overdone and cause serious results. For instance, if you play-fully point a rusty gun at some one and pull the trigger, all the April Fool's in the world won't help you if the gun goes off. Foolish pranks are the result of foolish minds; so on April Fool's day don't distinguish yourself as one of April's hair-brained children.

## SOCIETY NOTES

Bob H. Nabours and Sammy Guess motored to Goonsville on a black bicycle Sunday to honor the Goon gals with a short visit.

Mary Frances White's annual reducing party was held Thursday evening. The qualifying weights were 275 pounds. Those present were Miss Margaret Bloebaum, Florence Braden, Elvira Schiller, E. A. Perrin, Lanier Schultz, Melba Posey, Milton Rhodes, George Williams and Elizabeth Spratt—who, by the way, came for atmosphere. Games were "lifting the bull," shot-put, broad jump.

First prize went to Miss Bloebaum, which was a chocolate pie.

The subdebs of the school—those in the younger set who have set the pace for society this season—"threw" one of their entertainments Saturday evening just after dusk. Kathleen Perrin, Lucille Stedman, and Diane Luckett were the hostesses to twelve of the "choicest" couples. Pink lemonade and animal crackers were served after a wild set of games had been enjoyed. A few of the games were, Drop the Handkerchief, Ring Around the Rosy, Farmer in the Dell, and Will O' the Wisp. A few who thought these games too strenuous indulged in "strolling."

Several students remained in their respective homes Wednesday to complete their Presidents' note books for history.

WHO'S WHO IN THE FACULTY  
Mrs. Hefley

Never before in the history of Yoe High School, has the institution been fortunate enough to have as a member of the faculty a graduate of Harvard. Not only was Gladys Walker Hefley a member and graduate of this university, but she says she was an honor student. She majored in philosophy and calculus. She now teaches child psychology in Yoe Hi. Hefley a member and graduate of the

## CAROL WOOD

Our beloved director of physical education is a graduate of "Hog Island Institute of Technology" where he majored in Hog Calling. He says it helps him in hollering at football players.

Carol cut his teeth on a six-shooter and scalped six Indians before he was ten years old. He was born in Dead Man's Gulch where he went to Dead Man's Consolidated School. Despite this meager education he has come far.

## E. D. Parnell

"Hayseed" Parnell is a graduate of the "Hoyte Agricultural University," where he took a degree in Egg Engineering. "Hayseed" is another of the self-made men of Yoe High. When he was a boy back in Cow Corner, Indiana, he used to ride fifteen miles to school. It was on one of these trips that he was scalped by a band of Indians. He says the scalping party slowed him down a little, and as a result he didn't get married until he was 47 years old; that was in 1919.

## Miss Dallis

Miss Dallis is Yoe High's flapper de luxe. "Dall" is now serving as

regdant major of Hall Guards of Yoe High. As officer in this well-known Unit, she has the middle floor under martial order at all times.

## CALENDAR

March 31—General Assembly.  
April 1—April Fool.  
April 3—Home Makers District Meeting, Track Team attends Texas Relays.

## "APRIL FOOL"

The rain came down in torrents, And Mabel said, "Oh, dear! I'll have to wear my water-proof, And rubbers, too, I fear." So carefully protected, She started off to school: When suddenly the sun came out And chuckled, "April Fool."

## ASSEMBLY

Harry Kennon, W. C. Wiese, E. A. Perrin, Catherine Monroe, Elizabeth Spratt, and Ted Matula participated in an impromptu assembly program at Yoe High Wednesday morning.

Plans were announced for a historical May-fete which will show the high spots of American history beginning with the ride of Paul Revere and will end with the inaugurating of the first president, George Washington. The boy to take this most important role is to be elected by the student body from nominees selected

by the Student Council. The civic class will conduct the election.

Harry Kennon made an effective talk on the subject of walking across the grass on the campus. He suggested that we keep off the grass which adds so much to the beauty of the new Physical Educational-Vocational building.

Elizabeth Spratt played Valze Triste. Catherine Monroe played another piano selection, and Ted Matula sang to his own guitar accompaniment, two songs.

## HONOR ROLL

"A"—Julian Baskin, Lewis Rylander, Joe McLean, Herman Gerick, Birdie Sheguit, Jeff Cammer, Grady Stidham, J. T. Owings, Lee Batte Harvey.

"B"—Rex Lowe, Helen Ryan, Vivian Whites, Rosemary Yates, Neil Rylander, Patricia Batte, Winnelle Kidd, Ben Walker.

## HOMEMAKERS DISCUSS CLOTHING

"A College Girl's Wardrobe" provided discussion for the Future Homemakers' Club last Thursday.

Patricia Batte spoke on "Sportswear," and Mary Frances Elliot gave a talk in "Evening Clothes." As an example of correct sport clothes, Patricia showed pictures of the type of clothes worn by girls at Vassar College and gave a short talk on the expenses and needs of a Vassar girl who usually set the standard for college clothes.

At the end of the program the year book of the club was shown to the members, and copies were bought. The book will be sent to the State

Rally at Fort Worth, to be held in April.

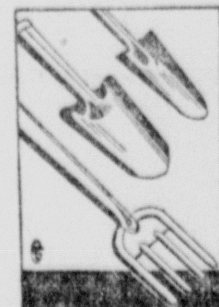

Plans were made for the District Meet which will be held in Cameron, April 3. The Second Hundred Years of Hoemaking will be the theme.

Representatives will come from Rockdale, Thorndale, Georgetown, Belton, Rosebud, Elgin, Taylor, Granger, Hutto, and Buckholts. Mr. Perrin will give a welcome to the girls, followed by the roll call, which will be a review of the clubs' work. Old fashioned songs will be sung, and the Quartet composed of club members under the direction of Viola

Thomas will render two pieces. Mrs. J. Coy Williams will speak on Homemakers of Tomorrow and Rita Scheiber dressed in an old costume will speak on Homemakers of 100 Years Ago. Thorndale will speak on Homemakers of Today.

### Luncheon Announced For Coming Wedding Of Miss Mary Tom Stidham to Dwight Moody

Mrs. T. B. Stidham of Jones Prairie was hostess to a 1 o'clock luncheon on Saturday, March 27, announcing the approaching marriage of her daughter, Miss Mary Tom Stidham to Mr. Dwight Moody.

The guests were greeted in the reception room of the Stidham residence, adorned with bouquets of spirea and lilac blossoms.

The wedding will take place on Friday at twilight, April 23, at the home of Mr. and Mrs. T. B. Stidham.

The luncheon table was set in keeping with the Easter motif, and upon investigation by the eager guests, on the ears of small white bunnies were discovered scrolls bearing the names of the betrothed couple.

The honoree was attired in a crepe of floral print with black patent accessories, and wore a corsage of sweet peas, a gift from an absent friend, Miss Frances Hobson, of Austin.

Assisting the hostess and the honoree in the entertainment were the grand mother of the bride to be, Mrs. Ben Stidham and Mrs. Mary Cox. Place cards were set for Mrs. J. W. Foster, Jr., and Mrs. Louis Tindall of Calvert; Mrs. John Richard Young of Thrall; Miss Evelyn Harrell of Maysfield; Miss Frances Hobson of Austin; Misses Mildred Thornton, Mary Newton and Dorothy Kidd of Cameron.

### Tea Here Announces Marriage of Katherine McIntosh to Frank Wade Earnest of Dallas

A delightful event of Saturday afternoon was Mrs. George Childress, Jr., tea complimenting Mrs. Frank Wade Earnest of Dallas.

Guests were greeted at the door by little Miss Charlotte Childress, who was gowned in a long taffeta dress in shades of pink.

Receiving were Mrs. George Childress, Jr., Mrs. Frank Wade Earnest, Mrs. R. H. McIntosh and Miss Bradford of Dallas.

A distinctive Victorian theme was emphasized in the decorations of the reception rooms. Old fashioned

flower arrangements of corn-flowers, sweet peas and Easter lilies filled containers of decorated china and crystal.

The tea service was presided over by Mrs. Stanley Swift. Assisting in hostess duties were Mrs. Stanton Dossett, Mrs. W. C. Woodruff, Mrs. John Gray Kindall of Pa., and Miss Patsy McGregor.

The honoree, the former Miss Katherine McIntosh, daughter of Mr. and Mrs. R. H. McIntosh, was attractively gowned in white taffeta with spaced floral embroidery in red. The

hostess gown was of taffeta in tones of silver and pink. Each wore corsages of sweet peas in harmonizing shades.

## MRS. SMITH ENTERTAINS

Mrs. A. J. Smith entertained with a morning coffee on Saturday in honor of Mr. and Mrs. Gayle Mercer, Jr., of Brenham.

For table decorations the hostess used lilac and purple blossoms with pink candles.

Guests included relatives of the honor guests and were Mrs. John A. Smith, Sr., Miss Inez Smith, Mr. and Mrs. John A. Smith, Jr., the guest of honor and Mr. and Mrs. A. J. Smith.

Mr. and Mrs. Mercer were married only a few days ago. The bride is a student of the University of Baton Rouge, La. The groom, a nephew of Mr. Smith, is with a major oil company and expects to be located in Houston soon.

### G. A. PLENTL BURIED IN CITY MARCH 19

Funeral services were held Friday March 19, for G. A. Plentl, age 63, from the family residence here at 4 o'clock. The services were conducted by Rev. J. Coy Williams, pastor of the First Methodist Church, with interment in Oak Hill Cemetery.

Mr. Plentl was stricken with a heart attack at his place of business, The Cameron Hatchery, about 1:30 p. m., March 18, and was rushed to the local hospital where he died ten minutes later.

Surviving him are his widow, the former Miss Fannie Boykin; five children, Mrs. Dewey McElwrath, Mrs. Gilford Thweatt of Maysfield, Mrs. Jewel Reaves and Alois and Homer Plentl; several grand children; four brothers, E. E. Plentl of Schulenberg, A. H. of Houston, M. E. of LaGrange and H. E. of Alvin; and two sisters Mrs. Laura Marburger of Seguin and Mrs. G. A. Naumann of LaGrange.

Mr. Plentl has been a resident of Milam county for more than thirty years and lived in Cameron for about ten years. He owned farming interests near Ben Arnold and operated a hatchery here.

## MAID OF SALEM

The weirdest outbreak of popular hysteria in colonial times, the famous witchcraft scare of 1692, which rocked the American colonies and was responsible for the execution of over a score of women before it passed on, is the background for Frank Lloyd's latest production, "Maid of Salem," a romance with Claudette Colbert and Fred MacMurray, which comes to the Cameron Theatre Thursday and Friday, April 1 and 2.

Miss Colbert plays the role of a Puritan maiden who is accused of being a witch because she is seen with a tall, dark stranger, and because she was observed dancing by herself. Upon this testimony, provided by hysterical women and children with over-wrought imaginations, she is convicted and sentenced to die. The fact that the tall, dark stranger is handsome, Fred MacMurray, who plays the role of a fugitive Virginia cavalier, hiding near Salem, means nothing. Unable to produce him in the flesh, the court rules that the stranger is the devil himself.

She is saved in a breath-taking climax when MacMurray appears. His appearance also serves to awaken the fear-stricken populace to the folly of the witch-hunts and the scare dies as suddenly and mysteriously as it began.

Supporting the popular romantic couple is an elaborate cast which includes Harvey Stephens, Louise Dresser, Bennie Bartlett, Gale Sondergaard, E. E. Clive, Bonita Granville, Virginia Weidler, Rosita Butler, Beulah Bondi, Edwards Ellis, Donald Meek and score of others.

## THREE SMART GIRLS

Man proposes and woman disposes of him with swift dispatch, especially if he is a millionaire susceptible to the wiles of an international beauty who has her eyes on his bank roll. That, with amusing embroidery, is the theme of Universal's comedy drama, "The Three Smart Girls," coming to the Cameron Theatre, Saturday, April 3.

Three sisters, living on the Riviera with their mother, hear that their wealthy father, divorced for three years, is paying ardent attentions to a renowned lady of great charm.

Knowing that their mother still loves him, they rush to New York to save daddy from entangling himself. They use strenuous methods, employing a Count to draw the beauty into an alliance which will prevent their father from marrying her.

The situations run the scale from the ridiculously funny to the uproariously laughable, according to advance Hollywood reports. Through mistaken identity, another man is given the task of snaring the charmer away from her prey.

Deanna Durbin, who has been singing on Eddie Cantor's National broadcasts for many months, makes her screen debut in "Three Smart Girls." She has the role of the youngest sister. The other two girls are portrayed by Nan Grey and Barbara Read.

## GREEN LIGHT

"Green Light," best-selling novel for two years, and now translated to the screen as a Cosmopolitan production, has been booked by the Cameron Theatre for Sunday and Monday, April 4 and 5.

Errol Flynn, the young Irish Star

who made such a sensational success with his first starring role, "Captain Blood," and followed it with another smash hit in "The Charge of the Light Brigade," has the role of Dr. Newell Paige, a young surgeon who sacrifices his career to save that of an older doctor.

Co-starring with Errol Flynn is the lovely Anita Louise as Phyllis.

## SECRET VALLEY

"Secret Valley," a western thriller starring Richard Arlen, is scheduled at the Milham Theatre for next Friday and Saturday, April 2 and 3.

## DODSWORTH

Walter Huston and Ruth Chatterton head the cast of Samuel Goldwyn's screen version of Sinclair Lewis' "Dodsworth," which comes to the Cameron Theatre Wednesday and Thursday, April 7 and 8.

Huston again plays the title role of Sam Dodsworth, the easy-going American husband, in which he scored on the stage for more than two years and Miss Chatterton has the role of Fran, the pretty, frivolous, selfish wife whom he adores.

## DEVIL'S PLAYGROUND

"Devil's Playground," Columbia's dramatization of a submarine disaster that sends forty men to their doom fifty fathoms below the sea, is the attraction for film fans at the Cameron Theatre Tuesday, April 6. In the starring roles are Richard Dix, Dolores De Rio and Chester Morris.

Mr. Lyles is strictly a product of the Santa Fe, his father having served as cashier in the local freight agent's office at Cameron, Texas, from 1892 to 1900, and in the superintendent's office at Temple from 1910 to 1934. He was married on August 17, 1915, to Mary Mildred Smith of Temple, whose father, H. W. Smith, was a Santa Fe conductor for forty-seven years and who now is on the honor roll. They have one son, William, now a junior in Cornell Uni-

versity, Ithaca, New York.

For many years Mr. Lyles has been active in Boy Scout work in Elmhurst, one of Chicago's beautiful western suburbs where he and his family reside, and in Du Page County, Ill., and in 1930, was president of Elmhurst Council Boy Scouts of America. He is a member of the New Jersey Society, Sons of American Revolution, the Illinois Athletic Club, the Masonic Order and Elks.

Gentlemen:	Gentlemen:
I wish to thank you for the manner in which you handled the claim on my deceased husband, W. R. Bogart, who held policy No. 2584 and 4082. These policies were in force approximately two and one-half years. Mr. Bogart passed away last Thursday received your check for day, March 4th and I have to \$2,000 which is the full maximum amount of the two policies.	I wish to thank you for the manner in which you handled the claim on my deceased wife, Mrs. Agnes Kurtin. She held Policy No. 6565 in the Mutual State Life Insurance Ass'n, Bartlett, Texas, which you took over in May, 1936. You issued Policy No. 4999, in lieu of the Mutual State Policy, to her. I completed papers and mailed them back to you last Friday, March 5th. Today I have received check for \$1,000, which is the full maximum amount the policy provided for and can recommend you to anyone that wishes to buy life insurance.
Yours truly,	Yours truly,
Signed: MRS. NELLIE C. BOGART, Bene.	Signed, JAS. KURTIN, Bene.

### SPANISH CLUB LEARNS MEXICAN GAMES

A number of Spanish Club pupils enjoyed several Spanish and Mexican games in last Tuesday's Spanish Club meeting. The games were of a typical Spanish and Mexican nature. The prize for high score of the main game of the meeting went to Adele Slama.

The only business of the meeting was that by vote of a majority of the club a party which had been planned would be put off until after the Inter-scholastic League Meet.

### 12 Boys Report to Groves for Scout Troop in Cameron

Twelve boys reported to the Rev. Maurice Grove, recently appointed scoutmaster of the new scout troop, Tuesday evening in the basement of the Christian Church here, for the purpose of registering in the new organization.

Eagle Scout F. E. Jackson has been named to assist Rev. Grove as assistant scoutmaster. The troop is sponsored by the Knights of Pythias.

The troop was organized on Tuesday night of last week under the direction of Chief Scout Executive George Powell of Waco.

### Send 2 Members To Scout Meeting In Washington

It was announced here today by officials of Boy Scout Troop No. 52 that plans are being made to send two members of the troop to the Boy Scout National Pamboree to be held in Washington, D. C., beginning June 30 and continuing through July 9.

Those who represent troop 52, probably one scout and the Scoutmaster, A. G. Kunz, will have an all expense trip paid to the Jamboree. Funds for this purpose will be raised by various entertainments.

Reports reveal that the scout to represent the troop will be selected by

# "A Good Example"

No business or profession is without a code of ethics.

True, one cannot always detect this fact, by observing the conduct of those engaged in the business.

Every such code of ethics lends atmosphere that begets confidence. A code of ethics has no parallel in building prestige, and, if followed, will result in better business and better business men.

The Herald has 'set a good example' for others to follow. In doing so, it has not always found financial profits. The Herald has always stood firm against abuse of ethics.

These abuses occur through ignorance, and, often selfishness.

Newspapers worthy of the name, never sell their news columns. Likewise they submit to no dictation. They never seize "excuses" to sell advertising nor withhold values they are obliged to give in exchange for money invested.

Cheap Merchandising . . . selling below cost of production as a competitive weapon will destroy any city or any business. Has Cameron suffered through low standards?

Ethics as good society in business also may mean a profit as well.
